

2010 Cervi Stock Headed to the Wrangler National Finals Rodeo

Bareback:

J50 Multi-Chem Grakel Roan

This red roan gelding is the one you want your mother-in-law to get on. He is the epitome of an arm jerkin' eliminator. Heath Ford was 86 on this horse twice this year. Once in San Juan Capistrano and then again in Nampa. He will head left toward the wall and will be more than a handful on the way.

M27 Classic Equine Little Bo Peep

If this is your first trip to the WNFR, then you and this little grey mare have something in common. And she has proven time and time again this year she wanted to be in the city of lights. They won Ft Madison on her. They won San Angelo on her. They won San Juan on her. And tonight they wanna win the round on her. She should make a big circle to the right.

F42 Classic Equine Hostage

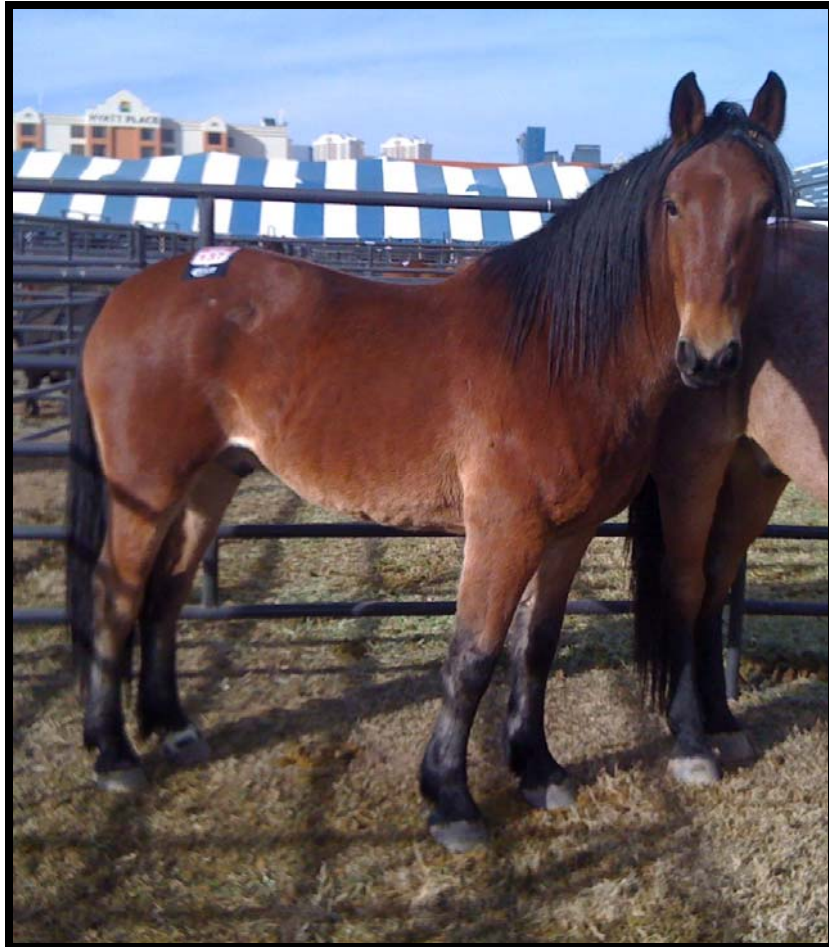

She's been here so many times she has a Las Vegas PO Box. They were 86 points on her in Albuquerque this year and won numerous rounds at the WNFR. She will circle toward the left wall.

21 Multi-Chem Pinball Wizard

Can you electric? This chestnut roan defines it. She is gonna get high in the air right in the latch and turn back like a bull. Ryan Grey was 90 on her at Clovis. They were 86 on her at Houston. 86 at Nampa. She's been here 6 times before and she'll be here 6 more.

L23 Silver Lining Herbs Hello Dolly

A bay gelding that will be western. Kelly Timberman was 87 on him at Casper. Wes Stevenson was 85 on him in San Juan. They 23'd this horse at Nampa. He is the one you want with the all the cards on the table in Vegas.

H20 Vitalix Grit Your Teeth

Will Lowe won a round at RodeoHouston on this sorrel gelding. He's been to the WNFR a half dozen times in the bronc riding and knows when the lights are on and the chips are down. He's gonna be really nice and make a big circle to the left.

Saddle Bronc:

186 Silver Lining Herbs Strutting Ground

This is the horse that bronc riders lay awake at night and worry about. Big buckskin gelding that bucks 99% of the guys that draw her off. They 24'd this horse in Clovis and won 2 rounds on him in Houston. This guy really bucks, will turn back to the left and throw everything he has at 'em.

M13 Classic Equine Street Smart

She's only been ridden twice this year. Once by Dustin Flundra in Ft Madison for 89. She is extremely electric and with put the right blinker on and head for the wall. And it will be snappy.

G2 Vitalix War Glory

Every year at the big rodeo down in Texas, they pick 4 horses to compete on for \$50,000. In 2010 this gelding was one of the 4. He's a big bay that's gonna circle to the left and do it with authority.

L25 Multi-Chem Party Shop

This horse was only ridden one time this year at Denver for 88 points. Your Pro Officials have marked this brown gelding 24 points all year long. He is strong, will blow out really hard and head right. Could be a round winner anywhere

Bulls:

111 Vitalix Hot Diggity Damn

He is a bull riders lottery ticket. They have won more money on this 6 year old black horned bull than any other bull in the history of the PRCA. They've won 3 rounds in the past 3 years at the NFR on him. They've won Denver, Houston and San Antonio all on this bull. In 55 trips they have been 89 points or more 21 times. In the gate to the right.

115 Multi-Chem Comet's Surprise

This 6 year old black and white horned bull has been out 21 times in 2010 and only ridden once by WNFR Qualifier Ardie Maier for 91 points to win the Fort Madison, Iowa rodeo. He has bucked off 9 NFR Qualifiers and 2 World Champions on his way to the Thomas and Mack. He will be RIGHT in the gate to the right a hundred miles an hour.

215 Silver Lining Herbs Amy's Pet

A 4 year old brindle bull out of many time NFR bull Hot Damn, this is his second trip to the City of Sin. He was bucked 25 times in 2010 and ridden three times. They won Denver and the Rodeo Houston Xtreme on him. He's thrown off 8 WNFR qualifiers this year including World Champion Wesley Silcox. Will be in the gate to the right and he will run over you if he gets a chance.

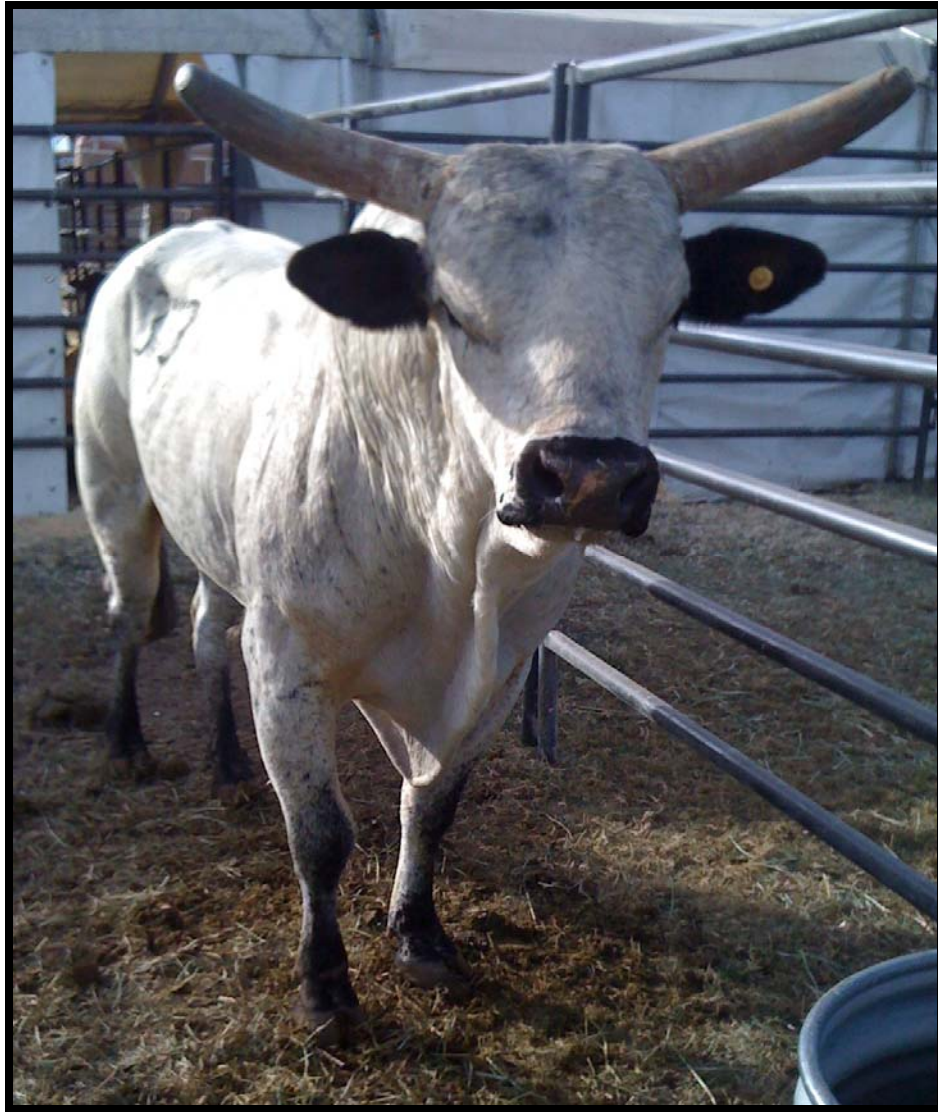

172 Multi-Chem Texas Cocktail

Over the past four years, 66 bull riders have climbed down on the back of this black and white paint. And over the past four years, only 2 have been there when the 8 second whistle blew. He has been voted as one of the top 3 bulls in all of professional rodeo and was marked an astonishing 48.5 at RodeoHouston. He will be in the gate to the right and watch out arena record.

373

Vitalix Hard Times

One of the young superstars of the Circle I string... this grey and white paint is unridden this year in PRCA competition and he is electric to say the least. He bucked off JW Harris at San Antonio and Shawn Hogg at Houston. He's gonna click his right blinker on, stand on his nose and kick out the rafters.
